

## **CIRCULAR - PARKING OF VEHICLES**

Ref: JHPS/PAR/CIR/19/2019-20

Date: 01/07/2019

Dear Parent,

We have developed the ground based on the requests of several children and parents by spending considerable amounts. Part of the ground is now ear marked for natural turf where in children can play Cricket, Football & other sports.

We bring to your notice that, the ground area now has to be maintained all through the year and we request the parents' support to ensure its maintenance by avoiding parking in this sports area.

As there is limited parking now in the school premises, we request you to consider opting for the following:

- a) Coming by Cab/Taxi
- b) Car pooling

This gesture by you will help in resolving the parking issue at the time of events/functions.

Thanking you in anticipation for the co-operation.

For JUBILEE HILLS PUBLIC SCHOOL

M. Varalakshmi  
Principal
