Dear Parents,

Jubilee Hills Public School provides multiple opportunities to students in enhancing their creativity and emotional well-being.

An integrated platform of art, craft and play is necessary for children to learn with joy. For this purpose, **No Bag Day** has been introduced in School Education. As the name suggests, on the No Bag days, children **will not carry the bag** to school and **do not engage in regular academic activities**.

Third Friday of every month is exclusively dedicated to nurture the other (Non-academic / Co-curricular) aspects of child's growth and make learning more fun and holistic. The focus areas on these days will be on Life skills, English language skills enhancement, physical and fun activities.
