A message from the Hon'ble Prime Minister's address to students: 'My dear countrymen, I had even said earlier that whatever comes to mind, I want to express it with you openly. Final Examinations for grade 10th and 12th will be conducted in the coming days. Last time, I had shared my views with the students regarding the examinations. It is my wish that the students who have got the success share their experiences, how they have spent the tension-free days of examination, they can write to me regarding the atmosphere

in the family, roles played by teachers and elders, efforts made by them, any tips or suggestions and role played by the seniors. You must have had good experiences. This time you can send your experiences on Narendra Modi App. And I will request the media to promote the good things through their medium so that the students all over the country can read, watch on TV and appear in the exams in a tension-free atmosphere. I believe that media friends will definitely cooperate in this regard. Yes, but they will do only when you write to me. You will send, right? Please do send.'

The Prime Minister 's address during the MANN KI BAAT programme broadcast on 31st January 2016, urged students to face their forthcoming school or Board examinations with confidence and optimism. The students, teachers and parents are now invited to share their own experiences about examinations on the Narendra Modi Mobile App , which can be downloaded by giving a 'missed call' to : 1800 209 0920.

- *Students can share their experiences of taking examinations*
- *Teachers and parents can also recount their experiences*
- *The Prime Minister will also be sharing some of his own thoughts*

All School Heads are requested to encourage their students, teachers and parents to download the App, and share their experiences on how to overcome the stress of taking examinations.
