Date:24.09.2020

Dear Parent,

You are requested to note the following guidelines about the revised communication process which is effect from :

MCB	WHATSAPP
All the Log Sheets/Study material will be posted.	Important communication, useful Videos and educational material will be posted.

Whatsapp groups were created as one way communication from the school but it is observed that some parents are trying to send Messages /Call the coordinators and expecting immediate action on the same. Coordinators are getting diverted from their academic works because of this.

The parents are provided with the contact numbers already in our earlier Mail/SMS dated **14/6/2020** are requested to follow the instructions henceforth. We are providing them once again.
