

CIRCULAR

Ref: JHPS/PAR/CIR14/2021-22

Date: 28.08.2021

Dear Parents,

Greetings from Jubilee Hills Public School!

We hope that all of you are doing well in these trying times.

The wellbeing of our students and parents is of utmost priority to us and hence are always concerned about the safety and health of all our students, teachers and administrative staff.

We are supposed to reopen the physical school as per the latest guidelines of Government of Telangana, School Education Department vide G.O. 3724/SE. PROG II/A1/2021 dated 24.08.2021 & Rc. No. 100/Genl/2021 dated 24.08.2021. The school has therefore, made all the arrangements to start the physical school as per Covid-19 protocol.

However, based on our earlier communication to you all, eliciting your preferences to permit your children to attend physical school, over 70% of you parents have not consented to the children attending physical school. Further, the Term-1 exams are also scheduled to be held from 20.09.2021.

Keeping these facts in view and in order to avoid confusion by discontinuing online classes suddenly, the school management is of the opinion to continue with online classes and conduct exams as scheduled till the end of the current Term.

We also are yet to receive detailed instruction by the Education Department, on whether it is essential to dis-continue the online classes if the physical school starts or to continue with them simultaneously along with physical classes.

We will be intimating you on the final decision, about the physical reopening of the school, as and when we get clear instructions from the Education Department and about the exact date of reopening of the school and/or any other details.

Regards
JHPS
