Dear Parent,

Sub: Half Yearly Revision Schedule

With the term coming to an end and the Yearly Exams around the corner, the students and teachers are gearing up and working hard. To help the students reach their full potential and do well in the exam it is imperative that students, teachers and parents work together. We require your cooperation in this regard. A revision schedule is being sent to you, keeping in mind the students' need to study regularly. You are requested to make sure that the students do these topic wise worksheets at home as and when they are sent. These will be discussed in school.
