**Optional Lockers facility for mobile phones**  
**CLASSES X to XII**

REF: JHPS/CIR/PAR/42/2024-25

DATE: 30.09.2024

Dear Parent,

We have recently observed that **some students are bringing mobile phones into the school without permission and are also misusing them. We had to confiscate their phones and take action against those students.**

As per the school policy (check page no.39 in the school almanac), bringing mobile phones to the school is not allowed and if found, they will be confiscated.

To avoid such incidents, we appeal to the parents that such **misuse of the phones by the students in the school may cause several complications** such as:

- **Taking objectionable photos** of classmates and teachers.
- **Browsing inappropriate sites** which may **affect their studies and health.**

**It may be noted that misuse of mobile phones** and indulging in illegal actions may lead to **cyber crimes, which are punishable under law.** Hence, we do not want our students to get involved in such activities and cause harm to themselves and their career.

If the parents still feel that their child needs to compulsory carry phone due to some inevitable reasons, they have to **visit the school, explain the reasons in writing and take permission from the school authorities.**

If the explanation is reasonable, the school will **permit mobile phones(preferably with basic features) and provide lockers on chargeable basis**, where the student can keep his phone securely at the school.

**NOTE:**

- **The fee for providing lockers is Rs. 200/- per month.**
- Student is **not permitted to take photographs of anyone** within the school premises.
- If the student is found to be misusing the mobile phone in the school campus, the student will be suspended and disciplinary action will be initiated.
- The school is not responsible for the loss of phone in the school premises.

Regards  
JHPS
