Nursery and LKG Pratibha Darshan – Incredible Earth

Jubilee Hills Public School, Hyderabad organized 'Pratibha Darshan' on 7th December, 2024 for the students of classes Nursery and LKG.

The students transcended their talent through a beautifully executed programme, themed as "Incredible Earth", highlighting the seasons.

Pratibha Darshan is a platform to showcase each child's skills and talents. They conveyed the message to save nature and conserve our natural resources. The students were trained to perform the skills and talents and displayed the awareness of nature and season's cycle.

The students created a whimsical ambience and took the audience on a fantastic journey of seasonal changes with their mesmerizing performances through skit dance and speech. The students' enthusiasm and excitement were evident from their performances.

The parents were spellbound by the amazing show put up by their children. They appreciated the management and teachers for organizing such a marvelous show and boosting each child's confidence.

Class 1 Pratibha Darshan Panchabhutas-The Five Elements of Life!

Jubilee Hills Public School organised a stupendous show 'Pratibha Darshan' on 21st December, 2024 for students of class I to showcase the skill and talent of each and every student of Class 1. The theme of the programme was 'Panchabhutas-The Five Elements of Life!'. The earth nurtures our strength, water shows adaptability, fire symbolises passion and air is symbolic of wisdom. The students should be aware of these important elements of life and take lessons from nature to balance their emotions when they face challenges in their life.

The entire programme was very well anchored

in three languages. Children enthusiastically performed in speeches, poem, recitation and dances symbolizing each element. The performances by the tiny tots enthralled the audience. The children inculcated the knowledge of five elements of life and its significance in their life. It was indeed a remarkable display of talent and fervour.

The parents of Class 1 were fascinated with electrifying performances of their children and thanked the management and the staff for giving an opportunity to their children to present in a thematic show.

Christmas and Math Day Celebrations

Jubilee Hills Public School, Hyderabad recently celebrated the joyous occasion of Christmas and Math Day, bringing together students, faculty, and staff for an event filled with festive spirit and intellectual curiosity. The celebrations were a perfect blend of creativity and learning, highlighting the students' talents and enthusiasm. The event was filled with vibrant performances from the students, who showcased their artistic skills through dance, music, and skits. Each performance was a testament to the dedication and creativity of the students, spreading joy and festive cheer throughout the school.

In addition to the Christmas festivities, the school also honored Math Day, a special occasion to recognize the beauty of mathematics and its importance in our daily lives. Students showcased the importance of the day through various activities, from math-based games to creative demonstrations, showing their passion for the subject and the endless possibilities it offers. As the celebrations concluded, everyone left with a sense of warmth, joy, and renewed commitment to learning, ready to embrace the opportunities the New Year will bring.

Creativity and innovation are at the heart of countless career opportunities in today's rapidly evolving world. As students are at the crossroads of making choices among different career options, Jubilee Hills Public School, Hyderabad has taken the initiative to help them explore various paths for their future. One such path is design.

Today, each brand relies on design to establish its identity and build a strong reputation. Design is a growing industry that ensures a bright future and offers immense opportunities. To introduce the career of design and its specializations to the students, a workshop was organized on 19.12.2024 featuring Ms. Nishigandha, an MIT graduate specializing in visual design and a graduate from Harvard in instructional design.

Ms. Nishigandha is also a mentor for young design aspirants to get into a college of their choice. She started her session by demonstrating how important practical designs are in our daily lives and gave examples of how poorly thought-out designs, can lead to unintended messages.

She then headed on to dismiss some common misconceptions society often has of designers, labeling them as 'struggling artists'. She explained how design is a completely different field from fine arts and architecture. She proceeded to discuss the different streams in design, i.e., Product, Transport, Furniture, and Retail, giving a detailed explanation of each.

She explained the examinations that one would need to pursue in order to acquire a career in Design. She talked about the top colleges and the courses available and gave an overall review of each college.

She also gave tips and statistics to the students who would have unwilling parents in order to convince them.

In conclusion, the workshop provided a comprehensive view of the design industry. We thank Ms. Nishigandha for this engaging and enlightening session, which offered students valuable insights into the vast potential of a career in design.

Class Wise Internal Competitions in Progress....

“Just A Minute Competition for Senior Secondary

The “just a minute” competition inspired by BBC’s jam segment started with a bang with the senior secondary students displaying immense interest in the event. The session commenced with light humor and introduction to the competition – rules, regulations, flow of order were discussed thoroughly.

Students came one after another to make their mark in their speaking skills. The speeches were delivered exceptionally well. Their fluency, content & preparation spoke for themselves. The topics varied from Music, Imagination, Creativity, I.Q(Intelligent Quotients) and E.Q (Emotion Quotients), Moral values, Leader and Character maketh a man. The Students justified every topic that was given to them and spoke eloquently with confidence. The event concluded with the esteemed judges and Principal addressing the audience. The winners were announced shortly and were congratulated for their excellent deliveries.

Eloquent Speeches Delivered by Participants

Patriotic Singing Competition for Class VII

Class VII students of Jubilee Hills Public School, Hyderabad participated in a Patriotic Singing Competition that was held on 20th December, 2024 in the school auditorium.

The melodious singing by the young nightingales left the audience spellbound. A few of the songs were sung using karaoke and few students exhibited their talent by playing the violin, guitar and casio.

The participants were appreciated for their efforts and winners were congratulated by the Principal. The first prize was bagged by Class VII G, while second and third positions were bagged by Class VII D and Class VII F.

Glimpses of Inter House Activities

Dance Competition

It was a day brimming with creativity and teamwork as students of Jubilee Hills Public School, Hyderabad participated enthusiastically in a series of House Activities, showcasing their talents across diverse fields. The event included art, dance, skit performances, album-making and newspaper designing, each offering a platform for students to unleash their potential. The art competition showcased the young artists stunning works that beautifully captured their imagination and creativity while the dance floor came alive with energetic and expressive performances, captivating the audience with rhythmic movements. Through the skit competition, students brought social and

cultural issues to life, blending humour and drama seamlessly. The album-making activity encouraged participants to weave memories and experiences together through vivid visuals and engaging storytelling while the budding journalists demonstrated their knack for reporting and designing in the newspaper activity, producing stunning layouts and insightful content that highlighted the spirit of the event. The activities fostered a sense of camaraderie and healthy competition among students, encouraging teamwork and leadership, leaving everyone inspired and motivated to explore their creative horizons further.

Kollati Jaswitha (VI)

won a gold medal in the CM Cup (U-13) Badminton tournament held in L B Stadium, Hyderabad from 17th to 28th December '24.

Alumni Meet 2024

The Annual Alumni Meet 2024, held at Jubilee Hills Public School, Hyderabad was a nostalgic and joyous occasion that brought together many students for a memorable reunion. The event allowed attendees to reconnect with old friends, recall cherished memories, and revive the bonds formed during their school days.

The day began with a warm and formal welcome by Mr. A. Akarsh Krishna and Mr. D. Srikanth, the office bearers of the Alumni Association. Their heartfelt greetings set the tone for the day, emphasizing the importance of maintaining alumni connections and celebrating the legacy of the school.

The gathering was graced by the insightful addresses of Director Ms. M. Varalakshmi and Principal Ms. P. Kanchana Valli, who shared their experiences, expressed gratitude for the alumni's continued support. They emphasized the importance of alumni connections and positive impact of the meet.

At The Registration Table

The event provided the perfect opportunity for old batchmates to reconnect and remember about their school days. Many alumni took the opportunity to share stories, laugh together, and celebrate the memories that have shaped them.

The day concluded with a delightful lunch, offering everyone a chance to relax and continue catching up with old friends. The Alumni Meet was a beautiful reminder of the lasting friendships and the rich history of Jubilee Hills Public School, and it was a day that all attendees will cherish for years to come.

CHRISTMAS AND MATH DAY CELEBRATIONS

Jubilee Hills Public School, Hyderabad hosted a vibrant celebration of National Mathematics Day and Christmas, honouring mathematician Srinivasa Ramanujan's legacy and spreading festive cheer. Students enthusiastically participated in quizzes, puzzles, and problem-solving challenges. A captivating Christmas play and lively carols added to the festivities. Principal Ms P. Kanchana Valli inspired students to embrace Mathematics and embody values of compassion and generosity. Director Ms M. Varalakshmi highlighted the importance of sharing and togetherness. The celebration reflected the school's dedication to fostering an enriching and joyful learning environment.

The Hindu - 31-12-2024

Fostering trust, empowering individuals & transforming communities

Trust is the backbone upon which the edifice of community is built. It is the invisible thread that connects streets, markets, and institutions. At the heart of Jubilee Hills Public School (JHPS) lies an aspiration to foster trust and empowerment. The school's mission is to provide a safe and secure environment for its students, while also equipping them with the skills and knowledge to thrive in a rapidly changing world.

A TEACHER IMPACTS ETERNITY
Teachers are one of the pillars that hold the structure of a school. They play a pivotal role in shaping the future of young minds. The school's commitment to its teachers is unwavering, ensuring they are well-trained and supported in their roles. This dedication to the profession is a key factor in the school's success, as it ensures that every student receives the highest quality of education.

HARNESSING RESOURCES, OF FOSTERING RESULTS
JHPS is a public school with a mission that goes beyond academic excellence. The school's resources are harnessed to provide a holistic education, one that nurtures the mind, body, and soul of each student. Through various extracurricular activities, students are encouraged to explore their interests and talents, fostering a sense of purpose and achievement.

TRUST IS A UNIVERSAL LANGUAGE THAT UNITES EVERYONE
Trust is a universal language that transcends borders and cultures. It is the foundation upon which all human relationships are built. At JHPS, we believe that trust is the key to unlocking the full potential of every individual. By creating a safe and supportive environment, we empower our students to take risks, learn from their mistakes, and ultimately achieve their dreams.

TRANSFORMING INDIVIDUALS INTO LEADERS
The school's focus is on transforming individuals into leaders. Through a combination of academic excellence and leadership training, students are equipped with the skills and qualities needed to become successful leaders in their respective fields. This transformation is a lifelong journey, one that begins in the classroom and continues in the real world.

THE FOUNDATION FOR A FULFILLING LIFE
The school provides a solid foundation for a fulfilling life. Through its comprehensive curriculum and extracurricular activities, students are prepared to face the challenges of the future with confidence and resilience. This foundation is essential for achieving long-term success and happiness in life.

THE JOURNEY OF GROWTH - THE CHALLENGES OF DEVELOPMENT
The new block at JHPS is a testament to the school's commitment to growth and development. The new building is state-of-the-art, with modern facilities and a spacious layout. This new space will allow the school to expand its programs and reach more students, ensuring that every child has access to quality education.
