Diplomacy in action

Jubilee Hills Public School, Hyderabad, hosted its inaugural Model United Nations (MUN) conference, MUN 1.0, aimed to foster leadership, diplomacy, and public speaking skills among students, while deepening their understanding of global issues.

The conference saw over 250 students from classes IX to XII, who represented various countries and debated pressing international topics such as cyber terrorism, the triple planetary crisis, cultural heritage protection, and violence against women. These

discussions highlighted the delegates' research, negotiation, and conflict resolution abilities.

At the opening ceremony, Principal P Kanchana Valli, emphasized the importance of MUN in shaping future leaders, providing students with a platform to think critically about global issues and collaborate for solutions. Throughout the event, committees were filled with lively debates and discussions. The professionalism and depth of understanding displayed by the delegates were commendable. In the closing ceremony, awards were presented to the best-performing delegates.
